Personally, I would like to thank Steve and the committee, for all the time they give the club. It should be a successful year ahead. Good to see the staff who have not been here for such a long time. Coming today and seeing familiar faces is what makes a club.

Jim Johnston

Nominated by Howick Club Executive

Dave Lang #757

It is with great pleasure that I second this nomination for this prestigious Howick Club Member of the Year Award, sponsored by Morrin Cooper.

The background is that I have known this person through golf for around 30-34 years plus. This person will remember the first golf awards for this section was in 1988. He has been a member of the Golf Section for as long as I can remember some 30 – 40 years. We have had a lot of fun, coaching and joy from this person who is a great leader.

He has held just about every post on the Golf Section, including Chairman, Scorer, Handicapper, Prizegiving organising, venue organiser etc. Through his time in the section has served with many terrific people in the section committee including John, Ann, Sally, Tony etc. He is totally standing down from Chairman, but still doing the Handicapping.

I have also looked this person up and ... Did you know he is a famous Nascar driver in America, did you know he is a famous football coach in America and did you know he caddied for Justin Thomas for 16 years.

This person made several announcements to us over the years, but no one could understand a single word he was saying and hence the cry "Speak English Please". We would wait a week till the monthly newsletter came out in writing before we knew what was happening. I am sure he will recall some of the early players such as Alan Brady, Alan Scott, Sid Boosey, Ian Cook to name a few. We have a great deal to thank his wife Mary for allowing us to share him. Now will the real "Jimmy Johnston" please stand up and come forward.

Morrin Cooper #269

This award is something I thought of some years ago, as there is always someone within a club who puts their best foot forward rather than their tongues and loud voices and does something of a constructive nature, does not get paid and do not want to be rewarded for it. As a club we have had 38 people that have received this award.

It gives me great pleasure presenting this trophy sponsored by the Club and the badge sponsored by myself to Jim. Morrin congratulated Jim Johnston and gave him his badge.

Jim Johnston –This is such a surprise. I did not expect this. I could not have got this award without the others on the golf committee and those who played golf. They are a great fraternity, get on well, except on the golf course. Without them and the support of the Club I would not be standing here today. I would like to thank every one of them from the bottom of my heart. It is the sport I love, and I hope to play again soon.

Jim – presented a gift from the club.

12. Life Member Nominations No Nominations

President's Closing Address

We have two Executive Members standing down this year who have been on the committee for some time, Lance Ford and Neil Croft. These two have put a lot of work into the club during their time on the Executive. Both Lance and Neil are leaving to pursue other adventures.

Jim presented a gift to both Lance and Neil on behalf of the Committee.

Jim thanked the members of the club for their support and attendance at the meeting.

We have done a lot of capital work to the club over the past year, during covid. We have a great committee who works together, and they all step up and help at events.

Steve you are a great Manager and thank you very much for doing what you do. He has a lot of talent in what he does.

Thank you all for coming.

Jim Smith declared the meeting closed at 11.40am

PRESIDENT'S REPORT

I am pleased to present to you the 2022/2023 President's Annual Report for the Howick Club's 40th Annual General Meeting.

The first AGM of the Howick Club was in December 1984 prior to the Official opening on 25th March 1985. A notable 40th anniversary for our family Club. This is my final President's Report as I have now completed my three-year tenure as per the requirements of the Club's constitution.

The past twelve months have been very successful and much has been achieved. This of course was initially impacted by the remains of the COVID epidemic. Our dedicated management and Committee members guided us through this unprecedented time with a very positive outcome.

The Club's membership has grown exponentially during the year, which we are all proud of. This shows that our environment and family focus is an amazing strategy. The past year started with a major program of works and capital investment being initiated, which would upgrade some of the Club's infrastructure, both internally and externally. We knew that these works would elevate our Club to one of the best in our land and give the members proud satisfaction.

The major works consisted of replacement carpet in the Lounge and Function areas, outside carpark, courtyard and gardens upgrade, new air conditioning units, new Restaurant furniture, along with several new appliances in the Kitchens.

Along with these works, we have also upgraded several of our gaming machines, continued painting parts of the Club, upgrading television sets especially in the Function Room which is now able to be used as a Conference Centre.

Information Technology (IT) is always a focus and our best communication platform. We continue to make sure that we are up to date with the best. TV delivery for all channels, including free WiFi, is available to all members. The Office and Management staff have up to date devices with reliable and current accounting software, including upmarket databases.

Events this year have been top quality with many options for everyone to enjoy. The Lazer Light show was an excellent display with very positive feedback being received. Shows for everyone to choose from, discos for the young ones and many more options are found in the Club's "ClubLink" magazine.

Again, this year, our rental properties have been continually maintained to "Healthy Home" standards as required. These properties all have a continual focus to make sure that the assets are managed correctly, with compliance to statute and council requirements.

Our Club has a multitude of staff who contribute daily to the many functions that are required for our operations. It is appropriate that acknowledgement is given for the excellent skill that these staff members give to us and for us.

Our Manager, Steve, assisted by his administration team, Rita, Kerry, Sharon and Julie, thank you for your efforts on our behalf. You are all a very much respected part of our Club.

To our Club Treasurer, Kirsten Hawke, thank you so much for your commitment and skills. Your contribution is amazing, and your guiding hand is appreciated by us all.

Our Welfare Officer, Dawn Mills, is always looking after us and has a great overview of all members who are in need. Dawn is always approachable which is a great asset to the Club. Thank you, Dawn, for all that you do for us.

Thanks to the Disciplinary Committee of the Club. This is an important part of our Club environment, and your efforts are appreciated by us all.

Thanks to our Restaurant manager, Rob Bishop, together with your dedicated and amazing staff. You look after us, both members and guests. Thanks for the fine meals that you provide and the great friendly service which is appreciated by all.

Thanks to the Sub-Sections, your committees, members and to our recently retired Club Captain Jason Borland, together with our new Club Captain Jon Richards, all of you are a most important part of our Club.

Our Sub-Sections are an integral part of our Club environment. A dedicated group of Club members facilitate the management of these Sections. There are many groups for Club members to join and socialize with one another. All Sub-Section information is found at reception by the notice board. Please support these Sections as they represent the Club at many "in house" tournaments and Club's New Zealand nationally. Many trophies are on display in reception acknowledging their achievements over the past year.

A very special thanks to all the members, community people, Club volunteers and Commercial Trades that assist us throughout the year. You are a group of many who are appreciated. Maintenance, cleaning, function setups, grounds, hospitality, etc. are but a few of the special services that keep our Club maintained. Some of this work is done out of Club hours and even though we do not see you carrying this out, we appreciate it all the same, thank you.

To our family Club Executive Committee, it is very hard to put words to how much you have supported this Club. Even though this year again has been a very unusual time, your dedication to supporting the Club with meetings and the program of work has been amazing. Communication, collaboration, and team participation has been the best. As I have said before, you are all volunteers with occupations and families to maintain, however your contribution in the Club committee has been maintained to a very high standard, thanks to you all.

To the members of our family Club, thank you so much for supporting the Club over the past year. It has not been the best of a year with access to the Club, however when the opportunity came available you have always been there ready to greet all your friendly members and friends. This is what our Club is all about, friendship. Thanks to everybody.

Some of our Club members have passed on during the year and on behalf of the Executive and Howick Club members, I wish to convey to their families our deepest sympathy.

In conclusion, I would like to add a few words as we come to the end of my three-year tenure that has been filled with joy, challenges, and above all, a sense of purpose and direction. As I prepare to step down as your President, I want to take a moment to reflect on the journey we have taken together and express my gratitude to all of you for your unwavering support.

When I took on the role of President three years ago, I knew that I had big shoes to fill. My predecessor had set a high bar for leadership, and I was determined to live up to that standard. I am proud to say that together, we have achieved great things. We have welcomed new members to our club and created a warm and welcoming environment that makes everyone feel at home. We have organized events that have brought us closer together as a community, and we have worked tirelessly to promote the values of our club, both within our organization and in the wider community.

I want to take this opportunity to thank each and every one of you for your contributions to our club's success. Whether you were part of the executive

committee, volunteered your time and energy at events, or simply showed up to support your fellow members, your dedication and commitment have been the backbone of our organization.

And in my time, as I stand down as your President, I do so with the knowledge that our club is in good hands, financially sound and remains secure. We are in good standing with all who do business with us, together with a multitude of initiatives and future planning underway. Additionally, we are very well respected in the community and with all who pass our way, both locally and nationally.

I am sure that the incoming President will also demonstrate a passion for our club and its values, and I have confidence that under their leadership, we will continue to grow and thrive.

It is important that I wish to express my gratitude to all of you for your support and encouragement during my tenure. It has been an honour to serve as your President, and I will always cherish the memories and friendships that we have created together.

Thank you, and I look forward to seeing our club continue to flourish in the years to come.

A very special thanks to my partner, Cheryl, for your gracious support in my role as President of the Howick Club.

THE HOWICK CLUB (Inc) - CHARTERED CLUB NOTES TO THE FINANCIAL STATEMENTS

1. REPORTING ENTITY

The Howick Club Inc is an incorporated society under the Incorporated Societies Act 1908. The financial statements of the Club have been prepared in accordance with Not-For-Profit Public Benefit Entities IPSAS-Reduced Disclosure Regime ('PBE Standards-RDR') Reporting Framework.

2. BASIS OF PREPARATION

a) Statement of Compliance

The financial statements have been prepared in accordance with the Incorporated Societies Act 1908 which is compliant with generally accepted Accounting Practice New Zealand ("NZGAAP"). They comply with Public Benefit Entity Accounting Standards Reduced Disclosure Regime ("PBE Standards RDR") as appropriate for Tier 2 not-for-profit public benefit entities, for which all reduced disclosure regime exemptions have been adopted.

For the purposes of complying with NZ GAAP the Club is a public benefit not-for-profit entity and is eligible to apply for Tier 2 Not-For-Profit PBE IPSAS on the basis that it does not have public accountability and is not defined as large. All reduced disclosure regime exemptions have been adopted.

b) Measurement Basis

The financial statements have been prepared on the historical cost basis.

c) Functional and presentation currency

The financial statements are presented in New Zealand Dollars (\$), which is the Club's functional currency.

3. SIGNIFICANT JUDGEMENTS AND ESTIMATES

The preparation of the Club's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the Club's disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Judgements

In the process of applying the Club's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements;

- Classification of non-financial assets as cash generating assets for the purposes of assessing impairment indicators and impairment testing

The majority of property, plant and equipment held by the Club is classified as non-cash generating assets.

b) Assumptions and estimation uncertainties

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Club
- The nature of the process in which the asset is deployed
- Availability of funding to replace the asset

Changes in accounting estimates

There have been no changes in the accounting estimates for the current reporting period.

4. SIGNIFICANT ACCOUNTING POLICIES

The following particular accounting principles which materially affect the measurement of profit and financial position have been applied.

REVENUE

Revenue is recognized to the extent that it is probable that the economic benefits or service potential will flow to the Club and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received. The following specific recognition criteria must be met before revenue is recognized.

Revenue from non-exchange transactions

- a) Welfare Donations are recognized as revenue on receipt

Revenue from exchange transactions

- a) Revenue from Bar, Off Licence, Gaming, TAB, subscriptions and other revenue is recognized upon receipt, as the risks and rewards of the goods are transferred at this time.
- b) Revenue from rental property activity is recognized on an accrual basis as the risks and rewards of the goods are transferred at this time and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the Club
- c) Interest Revenue is recognized as it accrues, using the effective interest method.

Financial Instruments

Financial assets and financial liabilities are recognized when the Club becomes a party to the contractual provisions of the financial instrument.

The Club derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers its rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Club is recognized as a separate asset or liability.

The Club derecognizes a financial liability when its contractual obligations are discharged, cancelled or expire.

The Club also derecognizes financial assets and financial liabilities when there has been significant changes to the terms and/or the amount of contractual payments to be received/paid.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Club has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle liability simultaneously.

The Club classifies financial assets as loans and receivables and cash as cash equivalents. The Club classifies financial liabilities at amortised cost.

Financial instruments are initially measured at fair value, plus for those financial instruments not subsequently measured at fair value through surplus or deficit, directly attributable transaction costs.

Subsequent measurement is dependent on the classification of the financial instrument, and is specifically detailed in the accounting policies below.

ANNUAL REPORT

acquired through non-exchange transactions is measured at its fair value at the date of acquisition.

Subsequent to initial recognition, investment properties are measured at fair value. Fair value is determined without any deductions for transactions costs it may incur on sale or other disposal. Any gain or losses arising from any change in the fair value of the investment property are recognized as a surplus or deficit in the period that it is incurred. When the investment property becomes an owner-occupied property, the cost for subsequent accounting is its fair value at the date of the change in use.

When an owner occupied property changes its use to an investment property, the property is re-measured to fair value and any gains arising on re-measurement is recognized in surplus or deficit to the extent that it reverses a previous impairment loss on the specific property, with any remaining gain recognized in Other Comprehensive Revenue and Expense and presented in the asset revaluation reserve in equity.

HOWICK CLUB INCORPORATED INDEPENDENT AUDITORS REPORT FOR THE YEAR ENDED 31 MARCH 2023

To the Members of the Howick Club Incorporated

Qualified Opinion

We have audited the financial statements of the Howick Club Incorporated on pages 13 to 31, which comprise the Service Performance Information, the Statement of Financial Position as at 31 March 2023, and the Statement of Comprehensive Revenue and Expense, Statement of Change in Net Asset/Equity and Statement of Cash Flows for the year ended, and a Summary of Significant Accounting Policies and Other Explanatory Information.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph, the financial statements on pages 13 to 31 present fairly, in all material respects, the Statement of Financial Position of Howick Club Incorporated as at 31 March 2023, Statement of Comprehensive Revenue and Expense, Statement of Change in Net Asset/Equity and Statement of Cash Flows for the year ended on that date in accordance with PBE Accounting Standards (PBE IPSAS) Reduced Disclosure Regime.

Basis for Qualified Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand (ISAs(NZ))). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Howick Club Incorporated in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Other than in our capacity as auditor we have no relationship with, or interests in, the Howick Club Incorporated.

Because of the nature of the Club's income, our examination was limited to the acceptance of the Club's audit of receipts at initial point of recording. Whilst we have no reason to believe that the basis upon which this income has been calculated is incorrect, we are unable to confirm this.

Committees' Responsibilities for the Financial Statements

The Committee are responsible for the preparation and fair presentation of these financial statements in accordance with Not-For-Profit Public Benefit Entity IPSAS - Reduced Disclosure regime (PBE Standards RDR) and for such internal control as the Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Committee are responsible on behalf of the Howick Club Incorporated for assessing the Howick Club Incorporated's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Howick Club Incorporated or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

Our firm has provided the following services to Howick Club Incorporated: Assisting the club in formatting its financial statements to which our audit opinion relates, working from completed records and which we have audited. We have had no involvement in the compilation of those records or the entries they contain. Other than in the provision of these services and in our capacity as auditor we have no relationship with, or interests, in Howick Club Incorporated.

GOLF

After several years of disruptions it was nice to complete a fairly full calendar in 2022. Apart from the odd Sunday of poor weather we had good turnouts throughout the year with sizeable numbers competing in the matchplay and monthly medal competitions. We have started 2023 on a very strong note with several new members joining our core group of players.

Congratulations to the 2022 Matchplay winner Matt Mullin and runner up Darren Mercer. Both these gentlemen were new to the section and performed admirably. Congratulations also to Kevin Allen, Warren Semmel and Mal Maria who were winners of the annual gross, net and stableford competition.

Our team of Alan McGhie, Mal Maria and Barry Samuel were worthy representatives of the Howick Club at the annual Clubs NZ North Island Tournament held at Otorohanga Golf Club in November last year finishing just ahead of midfield. Well done boys – maybe a podium finish in 2023!

A special thank you to all those who helped out with the raffles. These funds are crucial in allowing us to participate at these national tournaments. The committee greatly appreciates all those members that assist and especially our non-golfer Dawn who is a regular attendee. Also a special mention to the club for allowing us to use the facility to sell our raffles ... thank you to the club committee.

Finally, thank you to the golf committee for all your efforts. The section will not run without a committee. so to our long serving secretary / treasurer Ann Macdonald a special thank you to you for your time and service.

FISHING

Again the aftermath of Covid-19 and inclement weather prevented the Fishing Section from really "getting going" in 2022.

However, we were able to prepare for and actually run a few competitions.

The Pat Prendergast Memorial Trophy is always a popular competition and well sponsored. This trophy, as requested by the family, is based on the average weight of the snapper. The actual heaviest snapper was a commendable 6.185 kg fish caught by David Ellison but the actual trophy, based on average weight went to Stephen van Englen.

The next competition was the Howick Club Trophy, which was well patronized, the winner being Peter Heksel with a snapper of 3.365 kg.

The last competition run to date was the ever-popular Land Based Trophy based at Anglers Lodge, Amodeo Bay, Coromandel.

If ever a fishing trip could turn into a disaster this was it !!!! for days the forecast of some terrible weather had been building but hadn't quite arrived. The day of the actual competition arrived, and it was the proverbial "lull of the storm" calm weather, no wind but with a horrendous forecast to the extent that the skipper who takes us out to the various islands couldn't take us from a health and safety aspect.

So, we organized ourselves into our little groups and set out up the coast trying to find likely but sheltered fishing spots (the weather was still calm and sunny). We managed to complete the tournament and return to the Lodge for the usual weigh-in, BBQ and beers. But THEN later that night, good old Cyclone Gabrielle hit us with gusto. Some of the anglers decided to pull out that night with the majority deciding to forsake the usual pre-departure breakfast and pull out very early the following morning ... a good move, because at 10-30am that morning the Anglers Lodge was cut off from the outside world, due to landslips for the next 2 weeks.

A very eventful trip / competition with Graham Ellison winning the Land Based Trophy with a snapper of 5.24 kg combined with a kahawai of 2.06 kg.

Again local charities were able to benefit from the proceeds of our competitions held, to date this year contributions have been made to:-

Breast Cancer Foundation

Leukemia and Blood Cancer New Zealand

Starship Foundation

Special thanks must go to our much needed and appreciated sponsors without who we would struggle to hold any competitions:-

Boatmindes Ltd

The Howick Club

The Big Fish Bait and Tackle Company Ltd

Industrial Lubricants Ltd

Thanks to the hard-working section committee for efforts made during the year organizing the various competitions and generating much needed funds from raffle sales.

It can sometimes be a thankless task being a committee member!

Our three Northern Area Interclub teams were able to enjoy an uninterrupted year of play, (the past two years being covid-affected), and all put in wonderful effort. All teams finished mid-table.

We look forward to another successful year 2023 – come along and join us.

INDOOR BOWLS

The beginning of Indoor Bowls was slightly disrupted by Covid, however as the season progressed, we were able to get back to normal.

All club championship events both men's and women's nationals were able to be played.

Section membership seems to have gone down slightly, maybe due to Covid. We did have a few new members at the start of this year but so far, they have not returned.

We also acknowledge the passing of a long-standing member and ex convenor of the section Mr John Dunn; he was also long-standing member of Federation and Manukau Bowls.

A memorial tournament was held by Manukau Bowls, and we had several teams attend and one team came runner up.

SNOOKER

Following delays caused by Club and table closures due to Covid-19, much of 2022 was spent completing outstanding competitions. We are now back to normal, notwithstanding any future unforeseen closures!

Monday night 'Dash' numbers continued at a very low level, leading to the snooker committee to trial Wednesday evenings. This resulted in some new players joining the competition which, coupled with the closure of the RSA, has led to a general increase in numbers. 'Dash' is now a permanent Wednesday evening feature of the snooker calendar. So, come along and enjoy a social evening of 10-red, 20-minute snooker, from 7pm onwards.

This year sees Howick Club hosting the Clubs New Zealand National Snooker Pairs Tournament. This is currently in the planning stage with key focus on logistics and fundraising.

Credit goes to Tracey Paskell and Neil Croft whose experience in successfully running snooker competitions has drawn support from NZ's snooker authorities resulting in a few extra busy weekends for them running tournaments at other Clubs.

Committee members elected at the December section AGM are Terry Coombs (Chairman), Tracey Paskell (Secretary/Treasurer), Neil Croft, Terry McCown, Chris Prasad, Guy Burt, Martin Jones, Anthony Andrews and Bruce Davies.

At this time in our club calendar it is appropriate to offer condolences to those members who passed away, and to wish all the best to those that moved away to reside elsewhere.

OUTDOOR BOWLS

We had four teams travel to Whanganui to participate in the National Fours Tournament in February.

Once again this was a great trip away. We had two teams qualify to the last 32. They were the team of Malcolm Wright, Paul Hickey, Ross Whittle, Steve Brookington and the team of Don Parker, Paul Newman, Miladen Sokol, Brian Edgar. These two teams came up against each other in the last 8 of the Jim Dempsey Trophy, which was a great tussle till the last end with Malcolm's team sneaking through, but unfortunately lost out in the semi 14/13. Maybe next year.

Well done to all Four Teams.

Next year the Nationals are in Oamaru which is a great venue and we are looking forward to that.

New Members are always welcome to join us.

WINE

The Wine Section presentations eventually resumed for the 2022 year in April due to further Covid cancellations. However, a special evening including bubbles and chocolates and a wine presentation and tasting by the Dancing Petrel Vineyard heralded a great start. A wine trip to John Hill Estate was soon organised in May with 50 attendees enjoying a great day wine tasting after a bubbles and brunch start at the Club. Presentations from top wineries continued throughout the year showcasing a great representation of wines, not only from New Zealand and Australia, but France, Italy and Spain, not forgetting South American countries too. With numbers of attendees ranging between 70 to 90 or more on a regular basis, we find wineries and distributors approach us for the opportunity to showcase their wines, as we are well known in the industry as a large and well organised wine club.

Another wine trip was organised by our relentless trip planning team of Chris Leyenaar, Carol Thorpe and Roger Purdie, this time a day out West visiting Westbrook Vineyard and the Hunting Lodge for wine tastings followed by an enjoyable lunch. Our Christmas Party in December was another success with all the Christmas fare to enjoy. The evening with a special festive tasting presented by Coopers Creek and music by Jerry Lee to dance the night away to was a real hit. Our monthly wine evenings offer a fun filled evening with wine tasting, nibbles and a chance to win a bottle of wine, plus the opportunity to order any of the wines tasted on the night. We would love you to come along.

Our hard working Committee is all about total commitment, a truly dedicated team that work so well together making it all happen seamlessly, my sincere thanks go to them, also to the Club Caterers who look after our needs so well.

My thanks also to the Howick Club Management and Executive Committee for their ongoing support. But to you our Wine Club members, you are the Section, you are our strength, so we welcome you, your visitors, all Howick Club members, new members, to come along and enjoy on the 2nd Tuesday of each month at 7pm for a 7.15 start in the Function room, no need to book. See you there. Cheers.
